

Minutes of the CASL Board Meeting  
Oct. 17, 2003, 12:30 PM  
Edgewater Café, Keystone, CO

Attendees:

Clara Sitter  
Nance Nassar  
Dave Sanger, President  
Kim Meyer  
Glenda Hawkinson  
Heidi Baker  
Judy Barnett  
Sheryl Crow  
Karen Kargel  
Sharyn Markus

Dave began the meeting by going over the CASL Welcome Meeting agenda.

1. Raffle
2. Recognize board members
3. Ask for volunteers for committees (esp. area reps.)
4. Discuss CASL making links to other resources from their website and the need for volunteers to make this work.
5. Change CASL membership registration to include email address so we can contact members easier (we need to work on recovering members we lost when CEMA was disbanded).
6. Elicit input for workshop in the Spring (when and what)

Other business:

The possibility of starting a CASL listserv was discussed. Most felt the easiest way to keep members informed would be to use libnet, then put CASL members in the subject line.

Future meeting dates were discussed. A late November, early December meeting will be called to compile data gathered from the CASL Welcome Meeting. A meeting in January or February will be held to plan the Spring workshop.

Respectfully Submitted,  
Sheryl Crow, Secretary
